

## Picnic Boxes

In partnership with the Courtyard Café at the Fitzwilliam Museum, we have put together 2 delicious picnic boxes for you to choose from.

Simply choose the box that is best for you and submit your order to us at least 48 hours before your booking, in order for us to have your picnic waiting for you when you arrive.

Please be aware that due to logistical reasons, food and drink can only be added to bookings being taken from either our Mill Lane punt station or Boatyard.
